

A message from Mrs Gee

It has been another great week at Bay Primary School with lots of engaging learning opportunities throughout the school. It has been lovely to see lots of writing opportunities and some well presented texts in each year group.

On Tuesday, it was wonderful to see so many of our children getting involved in School Sports Partnership Cross Country Competition at Headlands School. Despite the wet weather, we had an amazing 60 pupils taking part across the different age-group races. It was fantastic to see so many of our children finishing in the top ten of their races, showing great determination, enthusiasm and resilience.

Huge congratulations to our fantastic runners, with some particularly brilliant results:

- 🏆 Annabelle – 1st place in the Year 1 and 2 Girls' Race
- 🏆 Leo – 1st place in the Year 6 Boys' Race
- 🥈 Wolf – 2nd place in the Year 3 and 4 Boys' Race
- 🥉 Delilah – 3rd place in the Year 3 and 4 Girls' Race

We are incredibly proud of every single child who took part. Wherever you finished first, tenth or simply gave it your very best effort, you represented our school brilliantly. It was wonderful to see so many children supporting one another and enjoying being part of the event. Congratulations to everyone who took part – you were amazing! Thank you Miss Collis for collating all of the replies and Mrs Pemberton for organising the teams on the day and to and helping to make the event possible.

We are sorry to say that there have been some occasions recently where items that pupils have brought in from home have gone missing or been damaged during the school day. We have spoken to the children and reminded them that toys, football cards and other personal items should not be brought into school. Unfortunately, these items can become damaged, get lost or go missing, which can be upsetting for the children. We have also reminded the children that items such as Squishies should not be brought into school from home. Some Squishies contain fillings that can cause irritation to the skin if they split or become damaged. We would really appreciate your support in reminding your child to leave personal toys, cards and other non-school items at home. This will help us to avoid items becoming lost or damaged and will ensure that children can focus on their learning and enjoy their time at school. Thank you for your understanding and support.

We are looking forward to welcoming parents and carers to our Parent and Carer Consultation Evenings next Tuesday and Wednesday. (Red Class consultations will take place on Monday and Tuesday due to staff training.) Please ensure you have booked your appointment time on MCAS. We look forward to seeing you and having the opportunity to talk about your child's progress and celebrate all they have achieved so far this year.

We are also looking forward to our Harvest Assembly for pupils in Years 2–6 at Bridlington Priory on Thursday 15th October. The pupils will walk from school to The Priory for the assembly, which will begin at 10am, accompanied by members of staff throughout the walk. This promises to be a lovely occasion and we are looking forward to celebrating Harvest together.

As part of our Harvest celebrations, we are collecting donations for The Hinge Centre. If you are able to donate any dried or tinned foods, we would be very grateful. Items such as:

- Pasta
- Rice
- Tinned soup
- Other dried or tinned foods

can be brought into school, and we will pass all donations on to The Hinge Centre to support those in our local community.

Thank you, as always, for your continued support and generosity.

We hope you have a lovely weekend, and we look forward to seeing many of you next week!

Best wishes,

Mrs Gee

PARKING REMINDER

Bridlington Rugby Club have offered the use of their car park for our parents and carers to use. Please **DO NOT** park in the school car park.

Dates for your diary.

- . Tuesday 13th October – Parent and Carers Evening
